OVERVIEW:

Maldives offers the perfect playground for your family to spend some wonderful time together. With many small islands on the archipelago developed into luxury resorts, each having their own distinct character and taste, we will help you find the perfect match for your family to ensure that you have a fabulous 5 days 4 nights stay at Maldives.

Upon reaching your resort, spend some time to explore the property and see all the wonderful activities the resort has to offer. Meanwhile the kids go all out and try out the fun water activities available at your resort. The sparkling ocean water will even entice the parents to put on their snorkelling gear and swim among the fishes.

Next day, take a boat into the ocean to see dolphins playing and jumping about in the air. Maldives is one of the best places in the world to catch sight of these wonderful creatures in their natural surroundings. This experience is enhanced manifold by the magnificent views of the sun setting across the infinite ocean.

After adventures over the ocean, its time to go under it. Get into your scuba diving gear and dip into the depths of the ocean. Beautiful reefs and colourful fishes surround you as your family enjoy this out of the world experience together. Not only fishes, you get to see turtles, eels octopus and other wonderful animals. Those with small kids who can't go scuba diving can take a submarine to the bottom of the ocean.

Make this 4 nights stay in Maldives even more interesting by surprising your family with unique experiences such as a floating breakfast, going on a sunset fishing trip, candle lit dinner in a private beach or flying above the Maldivian islands in a sea plane.

DAY 01: ARRIVE IN MALDIVES

On arrival at Velana International Airport in Male, you will be met by our local representative in Maldives for a brief meet and greet. Later, proceed to your luxurious island resort for check-in.

Maldives is a small island country in the Indian Ocean comprising of merely 1200 small coral islands of which only a few are inhabited by locals. The country is famous for its island resorts where whole islands have been converted into private resorts by some of the biggest names in hotel industry. Being a muslim country, alcohol consumption outside the resorts is banned here. This dream destination faces imminent threat from global warming since all the islands here are low-lying, rising merely 6 ft above sea level. Tourism is the main driver of Maldivian economy, followed by fishing and ship building.
