DAY 01 : ARRIVE IN PARIS AND VISIT EIFFEL TOWER

On arrival at Paris-Charles de Gaulle International Airport in Paris, you will be met by our local representative in France for a brief meet and greet. Later, proceed to your city centre hotel in Paris for check-in.

Counted among the most beautiful cities in the world, **Paris** is the economic, historic and political capital of France. 'The city of Light' is a global center for fashion, art, culture and gastronomy. The cityscape consists of beautiful wide boulevards criss crossing each other and the river Seine flowing through the city and dividing into two halves – north and south. The city is most popular for its cafe culture, Eiffel tower, the Notre Dame cathedral and fantastic museums.

In the evening, we will visit the iconic **Eiffel tower**. Built to commemorate the 100th anniversary of the French revolution, The Eiffel tower is a majestic 324m tall iron tower that has been the object of desire and fascination for millions of tourists around the world. We will go to the **top floor of the Eiffel Tower** from where you can enjoy spellbinding views of the city.

DAY 05: TRANSFER TO AMSTERDAM AND ENJOY CANAL CRUISE

After breakfast, check-out from the hotel and transfer to Amsterdam. Upon arrival, Check-in at the hotel.

Amsterdam is a city and port in the western Netherlands that is connected to the North Sea by the IJsselmeer. It serves as the Netherlands' capital and major economic and financial hub. Amsterdam is well-known among the large number of tourists who come here each year for its historical landmarks, outstanding art collections, and the distinct colour and taste of its ancient neighbourhoods that have been so carefully kept. Visitors to the city, however, also witness a crowded metropolis plagued by air pollution, heavy traffic, and a housing crisis.

Discover Amsterdam's charm on a **canal cruise**, and soak up Amsterdam's rich history and vibrant culture from the water. Relax aboard while navigating the man-made canals which have now become the symbol of Amsterdam. The canals were designed as a way to manage the city's growing population and served as a means of transportation for goods
